

TRINITY

FOUNDATION

Grant Application

Trinity Foundation, founded in 1952, is charged with investing funds given by members of the church. These funds, grown through careful investment are meant to be used in a financially responsible way to fund or support projects and programs of Trinity on Jackson Church as well as to aide in the maintenance and/or expansion of our building(s).

Please complete the Following:

Description

- If this is a program or project include a mission statement and goals and a description of either the existing program/project or the details of the program/project, you wish to start.
- If this is a maintenance/building request describe the issue, the history, estimates, timeline, desired outcome, alternate possible solutions.
- If a study has been done or statistics gathered, please include those with your description.

If your grant is approved, to whom should the check be written and where should it be sent?

Thank You for making this grant request. It is our honor to serve the church.

Board of Directors, Trinity Foundation
