

**Trinity Foundation
Grant Application**

Trinity Foundation, founded in 1952, is charged with investing funds given by members of the church. These funds, grown through careful investment, are meant to be used in a financially responsible way to fund or support projects and programs of Trinity on Jackson Church as well as to aide in the maintenance and/or expansion of our building(s).

If this application will benefit a program that is part of the Trinity budget, you must contact the church Finance Committee to make sure this request is not provided for in the church budget.
